

## Newcastle Local Offer SEND Event

### Dear Parent Carer

Newcastle Families United Parent Carer Forum would like to invite you to this local offer SEND event.

The event will take place on the **Monday 26 March 2018** at the **Banqueting Suite** at the **Civic Centre** between **9am – 2.30pm**.

We've brought together in one place representatives from educational providers, a variety of services who provide school holiday activities, short breaks, and clubs and groups, health and other services that support children and young people across Newcastle. These representatives will be available and would like to meet with you to discuss what services they provide for families with children and young people who have a special educational need and or a disability.

Also at this event Forum members will be consulting with you regarding the school holiday provision in Newcastle. Help us share information with both professionals and other Newcastle families.

We look forward to seeing you for a cup of tea/coffee and a scone and you will be able to gather lots of helpful information for your family.
